ಮಾಡಿ ಹಣವನ್ನು ಸಹ ಮಂಜೂರು ಮಾಡಿರುತ್ತಾರೆ. ಹೀಗಿದ್ದಾಗ್ಯೂ 3-4 ವರ್ಷಗಳಾದರೂ ಏನ ಕ್ರಮ ತೆಗೆದುಕೊಂಡಿರುವುದಿಲ್ಲ. ಆದ್ದರಿಂದ ಜಾಗ್ರತೆಯಾಗಿ ಕ್ರಮತೆಗೆದುಕೊಳ್ಳಬೇಕೆಂದು ಹೇಳುತ್ತೇನೆ

ಶ್ರೀ ಎಚ್.ಸಿ. ಶ್ರೀಕಂಠಯ್ಯ.— 1976 ರಲ್ಲಿ ಕರಾಪನ್ನು ಮಾಡಿ, ಹುಬ್ಬಳಿ ಮತ್ತು ದಾರವಾಡ ಜಿಲ್ಲೆಗೆ 25 ಹಳ್ಳಿಗಳು ಒಳಪಡುತ್ತವೆಂದು ಹೇಳಿ ಒಂದು ಮೊಬೈಲ್ ಡಿಸ್‌ಪೆನ್ಸರಿಯ ಅವಶ್ಯಕತೆ ಇದೆ ಎಂದು ಕೇಳಿದ್ದರು. ಆದ್ದರಿಂದ ಹುಬ್ಬಳ್ಳಿ ಪ್ರದೇಶಕ್ಕೆ ಈಗಾಗಲೇ ಕೊಟ್ಟಿರುತ್ತೇವೆ. ಧಾರವಾಡಕ್ಕೂ ಆದಷ್ಟು ಶೀಘ್ರವಾಗಿ ಕೊಡುತ್ತೇವೆ.

ಶ್ರೀ ಭಾವೂರಾವ್ ದೇಶಪಾಂಡೆ.—ಶೀಘ್ರವಾಗಿ ಅಂದರೆ ಇನ್ನು 3-4 ತಿಂಗಳಲ್ಲಿ ಕೊಡಲು ಸಾಧ್ಯವೇ ?

ಶ್ರೀ ಎಚ್.ಸಿ. ಶ್ರೀಕಂಠಯ್ಯ.—ಈಗಾಗಲೇ ಕಮಿಷನರ ಜೊತೆಗೆ ಇದರ ಬಗ್ಗೆ ಮಾತನಾಡಿದ್ದೇನೆ. ಫೈನಲ್ ಟೆಂಡರ್ ಕರೆದು ವಾಹನವನ್ನು ಖರೀದಿ ಮಾಡಬೇಕೆಂದು ಕೂಡ ಹೇಳಿರುತ್ತೇನೆ. ಡಾಕ್ಟರನು ಸರ್ಕಾರದ ಕಡೆಯಿಂದ ಕಳುಹಿಸಿಕೊಡುತ್ತೇವೆಂದು ಹೇಳುತ್ತೇನೆ.

More Schemes under Minor Irrigation Programm e

708 SRI PRABHAKAR TELKER (Chitapur) —Will the minister for minor Irrigation be pleased to State :—

(a) whether the Government is planninig to have more irrigation schemes in the State under minor irrigation programme ;

(b) if so, the scheme that has been chalked out for improving irrigation under minor irrigation programme ;

(c) whether the Government is planning to have a system known as construction of perculation ponds to provide under ground water, through wells, if so, its salient features ?

SRI D. B. CHANDREGOWDA (Minister for Minior Irrigation)—

(a) Under the Minor Irrigation prog ramme, the state is already having 870 works under execution and 1085 fresh works to be taken up as and when schemes are comp'eted. Fresh schemes will also be introduced into the programme.

(b) Does not arise in view of reply at (a)

(c) Percolation tanks are already included in the Minor Irrigation Programme under execution.

SRI PRABHAKAR TELKER.-In view of the reply that has been given to may question, you have shown that about thousand and odd new works are taken but after going through the books that have been supplied to us after the budget, we find that no new works under minor irrigation works have been taken ; what is the reason ? whether the Government is providing any additional budget for the new works ?

† SRI D. B. CHANDREGOWDA.—It is true that no new works are listed out in the present bndget; but they are in the process of printing. I have said that about 870 works are under execution and about 1085 works are held up for want of technical sanction; they will be taken up this year i.e., 1979-80; they are under consideration and process of printing. As soon as the printing work is over, they will be circulated.

SRI PRABHAKER TELKER.—Even for the works which are taken up, we find difficulty in getting funds, On the floor of the House, the Government has assured us that there is no dearth for funds for minor irrigation works and we see that the works are help up for want of funds. whether the Government has sufficient funds to provide for minor irrigation works ?

SRI D.B. CHANDREGOWDA.—I do not see that funds are bottleneck for execution. Last year we had spend about Rs 13 crores inclusive of 1. 77 crores central assistance. we have taken up roughly 870 works which are on going works. In some cases due to technical reasons like land acquisition some works are held up; otherwise the minor irrigation works are under good progress.

SRI VEERAPPA MOILY.—Would you please let us know whetheher any fresh works under minor irrigation are taken up in the year 78-79 and the money spent on these works ?

SRI D. B. CHANDREGOWDA.— I have already informed that 870 works were under execution during 78-79. There are about 1085 works which are included in the budget but technical sanction has to be accorded to these works during this year.

SRI VEERAPPA MOILY.— My question was specific. The number of works he has given are the works taken up during so many years. My question is in regard to financial year 1978-79 the number of works sanctioned and the money spent on them. According to my information no fresh work was taken up in the financial year 1978-79 and no money was allocated or spent as for as that year is concerned.

SRI D. B. CHANDREGOWDA.— During 1978-79 we have taken up 12 new works It is a fact that because of the long pendency of the works, there was an embargo on new works to be taken up and I am trying my best to see that this embargo is lifted and new works are taken up.
